The earliest known reference to the leprechaun appears in the medieval tale known as the Echtra Fergus mac Léti (Adventure of Fergus son of Léti). The text contains an episode in which Fergus mac Léti, King of Ulster, falls asleep on the beach and wakes to find himself being dragged into the sea by three lúchorpáin. He captures his abductors, who grant him three wishes in exchange for release.

Although the origins of the Harlequin are obscure, there are several theories for how the character came to be. One theory posits that the name is derived from a bird with polychromatic feathers called a Harle. Another theory suggests that the name Harlequin is taken from that of a mischievous "devil" or "demon" character in popular French passion plays.

The leprechaun is perhaps one of the best-known creatures in Irish folklore. Leprechauns are popularly depicted as little men with beards dressed in green coats and tall green hats. Other well-known beliefs about leprechauns include the pot of gold that they are said to keep at the end of the rainbow, and their mischievous nature. Whilst many are familiar with this general depiction of the ...

Birds and Creation Myths from several regions associate birds with the creation of the world. One of several creation stories in ancient Egypt said that when land rose out of the primeval waters of chaos, the first deity to appear was a bird perching on that land. The Egyptians called the god the Benu bird and portrayed it as a long-legged, wading heron in the sun temple at Heliopolis.
