### **The Mind Of Soul Responsible**

Hi there! What's the difference between the mind, body, spirit, soul and the self? In an article, you say that we should question who we are and that we will discover that we are not our minds, but that we are nothing and everything at the same time. But what about the soul? Is the soul individual? Are we all separate souls?

Mind-body dualism, or mind-body duality, is a view in the philosophy of mind that mental phenomena are, in some respects, non-physical, or that the mind and body are distinct and separable. Thus, it encompasses a set of views about the relationship between mind and matter, and between subject and object, and is contrasted with other positions, such as physicalism and enactivism, in the ...

Psyche comes from the Greek psykhe, which means "the soul, mind, spirit, or invisible animating entity which occupies the physical body." That about sums the way we understand the word today. People have their own individual psyches of course, but you often hear the word used to describe the similar mind set or thought process of a group of people, such as "the American psyche."

Philosophers who accept the idea that all laws of nature are deterministic and that the world is causally closed still cannot understand how an immaterial mind can be the cause of an action. On this view, every physical event is reducible to the microscopic motions of physical particles. The laws of biology are reducible to those of physics and chemistry.

As a spiritual guide, the first obstacle I see fellow travelers come across trying to find their path in life is the realization that they don't know who they are.. They fail to listen to their inner souls and instead create mental ideas (dreams) of what they should be like and begin to doubt themselves whether they are living up to them.
