The Translators Invisibility A History

The Translator's Invisibility: A History of Translation is a translation studies book by Lawrence Venuti originally released in 1995. A second, substantially revised edition was published in 2008. This book represents one of Venuti's most-studied works in which the author attempts to retrace the history of translation across the ages.

The Translator's Invisibility - Wikipedia

Preface and acknowledgements. The Translator's Invisibility originates in my own work as a professional translator since the late 1970s. But any autobiographical elements are subsumed in what is effectively a history of English-language translation from the seventeenth century to the present.
