Everyone has a storyteller inside them, and everyone has a story to tell. James Joyce once said he never met an uninteresting person. The difference between people who seem interesting and people who don't is their ability to turn their experiences into compelling stories — which is why we make storytelling such a big part of our bootcamps.. It's true that some people have more natural ...

The werewolf folklore found in Europe harks back to a common development during the Middle Ages, arising in the context of Christianisation, and the associated interpretation of pre-Christian

mythology in Christian terms. Their underlying common origin can be traced back to Proto-Indo-European mythology, where lycanthropy is reconstructed as an aspect of the initiation of the warrior class.

In medias res, (Latin: "in the midst of things") the practice of beginning an epic or other narrative by plunging into a crucial situation that is part of a related chain of events; the situation is an extension of previous events and will be developed in later action. The narrative then goes directly forward, and exposition of earlier events is supplied by flashbacks.

Seemingly completely out of the blue, my husband checked out of our marriage. Without going into very personal details, he was pretty darn certain about this decision and only wanted any debate to be who was getting what and how to do it as quickly as possible so that we could go our separate ways. We had no children at that time, but I was crushed, shocked, and despondent all the same.

### **How I Saved My Marriage**

Princess X is a sculptured rendering of the French princess, Marie Bonaparte, by the artist Constantin Brâncuși. Princess Bonaparte was the great-grand niece of the emperor Napoleon Bonaparte. The artist, Constantin Brâncuși, was born in Hobîța, Romania in early 1876. The piece was created between 1915 and 1916.
