### **The New New Thing: A Silicon Valley Story: How Some Man ...**

Silicon Alley, centered around the Flatiron district in Midtown South, Manhattan, is an area of high tech industries. The term was coined in the 1990s during the dot-com boom, as a reference to Silicon Valley, the tech center in California. As the New York tech industries began a revival around 2003, the businesses spread outside of Manhattan making the term 'Silicon Alley' somewhat obsolete.
