The first work of prose by the brilliant poet Kevin Young, winner of the Graywolf Press Nonfiction Prize. What emerges is a persuasive argument for the many ways that African American culture is American culture, and for the centrality of art—and artfulness—to our daily life. Moving from gospel to soul, funk to freestyle, Young sifts through the shadows, the bootleg, the remix, the grey areas of our history, literature, and music.

The Grey Album: Music, Shadows, Lies was a good read. I found it hard to follow, but by no fault of the author. It was filled with so much information about a subject, that I realize now, I knew little about. Definitely a good read for someone who is more familiar with the literature and music of black Americans. Very well researched piece.

It's no easy trick assembling a fitting soundtrack for the film adaptation of an edgy and steamy story like Fifty Shades of Grey, but this album pulls it off perfectly by mixing new and old pop favorites. Frank Sinatra's sultry, swinging "Witchcraft" and The Rolling Stones' rough-and-tumble "Beast of Burden" suit the theme of obsession just as well as the slow-burning soulfulness of The Weeknd ...

While brief, Shades of Gray is more musically diverse than the band's debut, because Youth Choir is now a foursome. The quality of the songs also attracted praise from not only critics, but other musicians such as Sam Phillips, who seriously considered covering "All Night Long" for her album The Turning.
