Visited Man Vs Food in Boro with friends on 28/12/18. I cannot stress enough how responsive to need the young lady who served us was. My friends who both are on the autistic spectrum and celiac wanted to know about gluten free options and this young lady spent 10 minutes going through the entire menu with them discussing options for their dietary requirements in a way that would not ...

OP/r5 needs to back away from the Downton Abbey reruns. If, as you say, holding the fork tines-up is the "American way", and tines-down is the "Euro way", then who's to say which way is correct?

### **People who eat using their fork like a shovel - the DataLounge**

Using A Blindfold To Increase Anticipation. One of the best ways to increase anticipation and excitement is to use props. Because women can also be very self-conscious about sex, and especially about when they get their vagina licked out, a blindfold can be a great way to make her feel less self conscious, and instead just enjoy the sensations.
