This week I had to make the horrible decision on what to do for one of my kitties. After being told that his heart was enlarged (not sure if that was from the beginning of his life or something that happened recently...I'm not a medical professional so I don't know how that happens) and had a small amount fluid on his lungs along with the diagnosis of saddle thrombus we chose to humanely ...

Coordinates. Private Eye is a British fortnightly satirical and current affairs news magazine, founded in 1961. It is published in London and has been edited by Ian Hislop since 1986. The publication is widely recognised for its prominent criticism and lampooning of public figures. It is also known for its in-depth investigative journalism into under-reported scandals and cover-ups.

The ocelot (*Leopardus pardalis*) / ' ɒ s ə l ɒ t / is a small wild cat native to the southwestern United States, Mexico, Central and South America. It is listed as Least Concern on the IUCN Red List as the population is estimated to comprise more than 40,000 mature individuals and is considered stable. Its fur was once regarded as valuable, and poaching for the illegal trade is still a threat.
