All of the following may be signs of a demon leaving your body. Of course, since most of the below symptoms are normal bodily functions anyway, you'll know there is something different and significant if they happen when you are either having demons cast out, praying, being prayed for, around people who are praying, or at church.

Dangerous But Good

In Manichaeism mythology demons had a real existence, as they derived from the Kingdom of Darkness, they were not metaphors expressing the absence of good nor are they fallen angels, that means they are not originally good, but entities purely evil. The demons came into the world after the Prince of Darkness assaulted the Realm of Light. The demons ultimately failed their attack and ended up ...
