A binary black hole (BBH) is a system consisting of two black holes in close orbit around each other. Like black holes themselves, binary black holes are often divided into stellar binary black holes, formed either as remnants of high-mass binary star systems or by dynamic processes and mutual capture, and binary supermassive black holes believed to be a result of galactic mergers.

Binary black hole - Wikipedia

The practice of child marriage is a violation of girls' human rights. In addition to putting a girl's health at risk, it hinders her ability to exercise her right to choose who, if, and when she marries; to pursue her right to education; and in many cases, may also impede her legal and economic rights.
