The Tree Of Man is the life story of Stan Parker and his wife, Amy, from their isolated beginnings and through fires, storms and floods in their personal lives and the weather. Patrick White writes beautifully which is why even though this story is slow-paced, long, and without a strong plot, it is worth the read.

THE TREE OF MAN: Patrick White Comes to Grips with a God of Spit and Mud. In White's homage, Stan sits at the heart of a veritable mandala: a circle of shrubs and trees first, then the vegetable garden, then the paddocks, and, the last but one, the "cold and golden bowl of winter." Like a Hasid, White refuses to name the final circle. And yet, it is into this circle that all is, finally, subsumed.

A story that attempts to capture — for Australia- the sense of a frontier opening up, that Conrad Richter succeeded in doing for an American background in the trilogy that began with The Trees (1940). There is much to be commended in the universality of concept, the basic human values, the inherent drama of life in the raw. But for me the characters remained conceptions rather than ...
