p.p. Jan 28 2019 5:32 am I liked this drama very much because of the fact that they showed that there are couples in real life where the man is younger than the woman and that this is not a problem at all, that it might even be an advantage. The love the couple had was pure and tender and they had a big harmony which is important for having a happy life.

I invite you to think differently about polycystic ovarian syndrome. PCOS is not one thing. It is not one disease. PCOS is a set of symptoms. The key primary symptom is failure to ovulate regularly. Failure to ovulate is why you are deficient in estradiol and progesterone. It's why you have high testosterone, and why you develop secondary PCOS symptoms such as hair loss, acne, and infertility.
