I love me some butch female characters. I don't think there's anything inherently wrong with more traditionally feminine characters. As a matter of fact, I think our popular culture nowadays needs to get over its fear of girly-girls and wrench its representation of womanhood into more of a My Little Pony-style balance. But since I've always been a bit more masculine in outlook, I've always felt ...

Now, this is a tip you'll need to judge on a case-by-case basis; there's always that one sadistic professor in your school who will demand you do all the reading, and go through the book picking out the most obscure, unimportant facts out of the reading when writing his test. However, these assholes - I mean, thorough educators - are few and far in between.
