George Megalogenis - The Australian Moment: What's next?

George Megalogenis: The Australian Moment. While other developed nations are repeating the experience of the 70s with political gridlock, rioting, and social unrest, Australia hasn't had it better since the 1850s gold rush. Megalogenis believes it's time that businesses -- from retailers to miners and media companies -- stop whinging and start building the next era of domestic prosperity.
