Desertification is a type of land degradation in which a relatively dry area of land becomes a desert, typically losing its bodies of water as well as vegetation and wildlife. It is caused by a variety of factors, such as through climate change (particularly the current global warming) and through the overexploitation of soil through human activity. When deserts appear automatically over the ...

Countless lyrical variants of "Dixie" exist, but the version attributed to Dan Emmett and its variations are the most popular. Emmett's lyrics as they were originally intended reflect the mood of the United States in the late 1850s toward growing abolitionist sentiment. The song presented the point of view, common to minstrelsy at the time, that slavery was overall a positive institution.

American Gods Season 2 Spent Too Much Time On Set-Up & Has No Real Direction. The departure of Gillian Anderson and Kristin Chenoweth further delayed the start of production on American Gods season 2, as the scripts had to be rewritten to explain the absence of the two goddesses. In the case of Anderson, this necessitated recasting her role completely, given that Media is one of the three most ...
