We developed AccuCinch ®, the first percutaneous ventricular repair system designed to treat heart failure. AccuCinch targets dysfunction of the left ventricle, which is the underlying cause of heart failure. Unlike current surgical or transcatheter procedures that replace or repair an otherwise-normal mitral valve, AccuCinch repairs the left ventricle to improve quality of life for heart ...

About Us - Ancora Heart

Feeling rules are socially shared norms that influence how people want to try to feel emotions in given social relations. This concept was introduced by sociologist Arlie Russell Hochschild in 1979. Hochschild's 1983 book, "The Managed Heart: Commercialization of Human Feeling," discusses feeling rules in greater depth, especially in the occupational worlds of flight attendants and bill ...

Rage, the Flower Thrower (2005) Artwork description & Analysis: This work, now covered and protected by a Perspex overlay, features a man dressed up in what we associate with traditional riot gear, with a bandana obscuring his face, and his cap on back-to-front. His stance is one of a person about to lob a Molotov cocktail; he's taking aim and is ready to throw his weapon.
