### **The Education Of Millionaires Its**

Summary of The Education of Millionaires: It's Not What You Think and It's Not Too Late The Formal Education Myth There is almost no relationship between academic excellence and success in your life and career.

### **Summary of The Education of Millionaires: It's Not What ...**

This book is interesting in its premise, but I believe it is very unfairly biased against college education. If you are a student, like me, who feels somewhat trapped and undeserved by school - this is a very dangerous book for you. I recommend thinking long and hard about school, your actual situation, and the consequences of dropping out.
