Theology And Social Theory Beyond

Critical race theory refers to a broad social scientific approach to the study of race, racism, and society. Kimberlé Crenshaw and Derrick Bell popularised the notion of critical race theory within the subfield of critical legal studies in the 1980s. Both Crenshaw and Bell made reference to the fact

Critical Race Theory - GLOBAL SOCIAL THEORY

Theology is the critical study of the nature of the divine, and more broadly, of religious belief. It is taught as an academic discipline, typically in universities and seminaries. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to answer the question of revelation. ...

Queer theology is a theological method that has developed out of the philosophical approach of queer theory, built upon scholars such as Michel Foucault, Gayle Rubin, Eve Kosofsky Sedgwick, and Judith Butler. Queer theology begins with an assumption that gender non-conformity and gay and lesbian desire have always been present in human history, including the Bible.

Beginning from politically-engaged praxis, modern liberation theologians have often read Scripture with a one-sided politicising hermeneutic. Emphasising the horizontal dimension of Exodus (its story of political, economic, social and racial oppression and liberation), they frequently downplay its theocentric character (encapsulated in Yahweh's words: 'Let my people go, that they may serve ...

Overview. René Girard's mimetic theory began with an understanding about desire and blossomed into a grand theory of human relations. Based on the insights of great novelists and dramatists – Cervantes, Shakespeare, Stendhal, Proust, and Dostoevsky – Girard realized that human desire is not a linear process, as often thought, whereby a person autonomously desires an inherently desirable ...
