The Viewpoints Book A Practical

Viewpoints is a technique of composition that acts as a medium for thinking about and acting upon movement, gesture and creative space. Originally developed in the 1970s by choreographer Mary Overlie as a method of movement improvisation, The Viewpoints theory was adapted for stage acting by directors Anne Bogart and Tina Landau. Bogart and Overlie were on the faculty of ETW at NYU in the late ...

Occlusion, in a dental context, means simply the contact between teeth. More technically, it is the relationship between the maxillary (upper) and mandibular (lower) teeth when they approach each other, as occurs during chewing or at rest. Static occlusion refers to contact between teeth when the jaw is closed and stationary, while dynamic occlusion refers to occlusal contacts made when the ...

This book presents 17 principles of biblical interpretation that the reader will use as keys to open the truths of Scripture. Most Christians agree that the Bible is the inspired Word of God, given to men/women to study and assimilate into their lives, but the interpretations of the Bible and meaning and viewpoints of Scripture are virtually countless.
