Proverbs are popularly defined as "short expressions of popular wisdom". Efforts to improve on the popular definition have not led to a more precise definition. The wisdom is in the form of a general observation about the world or a bit of advice, sometimes more nearly an attitude toward a situation.

4. Some Things Will Never Change. Out of his front windows George could see nothing except the sombre bulk of the warehouse across the street. It was an old building, with a bleak and ugly front of rusty, indurated brown and a harsh webbing of fire-escapes, and across the whole width of the facade stretched a battered wooden sign on which, in faded letters, one could make out the name--"The ...

The stages From the Big Bang to Integral I found simple symbolic scenes to express each level so that when we look at them we can get an immediate 'feel' of each stage in their respective quadrants. For instance, amber upper left is someone bathed in the shining light of an almighty god; orange upper right is a marathon runner reaching for high performance; lower right green is a new city ...
