From the beginning, I perceived the Star Project as international in scope—this was part of the original vision. So, what a delight after all these years to realize that in addition to the millions who've seen the DVD broadcast worldwide, the physical DVD itself is also being shown around the world.

The Star Chamber (Latin: Camera stellata) was an English court which sat at the royal Palace of Westminster, from the late 15th century to the mid-17th century (c. 1641), and was composed of Privy Councillors and common-law judges, to supplement the judicial activities of the common-law and equity courts in civil and criminal matters. The Star Chamber was originally established to ensure the ...
