We humans have been on the Earth for more than a million years, but civilization - life in cities - has come about only in the last 5,000. Through history civilizations have rose and fell, carved out of nature, dependent on nature, in the end - nature took them back. But in the past few hundred ...

The second documentary film, Zeitgeist: Addendum, attempts to locate the root causes of this pervasive social corruption, while offering a solution. This solution is not based not on politics, morality, laws, or any other establishment notions of human affairs, but rather on a modern, non-superstitious based understanding of what we are and how we align with nature, to which we are a

part.

Besides the biblical five books of Moses (Pentateuch), there are other writings ascribed to Moses (pseudepigraphically no doubt). The so-called Sixth and Seventh books of Moses in particular consists of a collection of texts which purport to explain the magic whereby Moses won the biblical magic contest with the Egyptian priest-magicians, parted the Red Sea, and other miraculous feats.
