The Civilizing Process Norbert Elias

The Civilizing Process is a book by German sociologist Norbert Elias. It is an influential work in sociology and Elias' most important work. It was first published in two volumes in 1939 in German as *Über den Prozeß der Zivilisation*. Because of World War II, it was virtually ignored, but gained popularity when it was republished in 1969 and translated into English.

Identification. The name Germany is derived from the Latin word Germania, which, at the time of the Gallic War (58-51 B.C.E.), was used by the Romans to designate various peoples occupying the region east of the Rhine. The German-language name Deutschland is derived from a Germanic root meaning volk, or people.

What is a "square meal?" What is a square meal? Excellent question with no simple answers. There are two primary schools of thought: (1) Symbolic/metaphoric (a "square meal" is a substantial, satisfying repast) and (2) An actual scientific analysis proposed by a British physician in the 1920s. Shaped, to make it easier for people to understand, like a square.
