Robert Frost was born in San Francisco, but his family moved to Lawrence, Massachusetts, in 1884 following his father's death. The move was actually a return, for Frost's ancestors were originally New Englanders, and Frost became famous for his poetry's engagement with New England locales, identities, and themes.

Twin films are films with the same, or very similar, plot produced or released at the same time by two different film studios. The phenomenon can result from two or more production companies investing in similar scripts around the same time, resulting in a race to distribute the films to audiences. Some attribute twin films to industrial espionage, the movement of staff between studios, or ...
