For the past 6 months I have had the unique privilege to go back in time and experience the magic of the original EverQuest. This is thanks to Project 1999 who are a group of dedicated EQ enthusiasts who in 2009 set up servers that emulate the original Norrath as we knew it in classic EverQuest. Currently the P1999 version of Norrath includes the original EverQuest and the first two expansions ...

Traits. Draugar possess superhuman strength, can increase their size at will, and carry the unmistakable stench of decay. According to Gregg Smith, "The appearance of a draugr was that of a dead body: swollen, blackened and generally hideous to look at." They are undead figures from Norse and Icelandic mythology which appear to retain some semblance of intelligence. They exist to guard their ...

One of the squickiest things to come out of horror movies is the descending age bracket for The Undead. It used to be only adults could be/were made into undead, and while children were presumably killed off-screen during the Zombie Apocalypse, they weren't turned into the living dead. Well, now it seems these infants have found immortality of a decidedly unwholesome sort.
