Moral Foundations Theory was created by a group of social and cultural psychologists (see us here) to understand why morality varies so much across cultures yet still shows so many similarities and recurrent themes. In brief, the theory proposes that several innate and universally available psychological systems are the foundations of "intuitive ethics."

The word adonai comes from the unused root אדן ('dn), of which the meaning is disputed, says BDB Theological Dictionary, and lists the following proposals: Some say it's comparable to the Assyrian word adannu, meaning firm or strong, and the associated adverb adannis means strongly or exceedingly. Others say it may have to do with a Persian word meaning firm or fasten, and thus it means to ...

Course 101, a seven-week course developed by Gracepoint Ministries, gives an intellectual basis for answers to some of the most commonly asked questions about the Christian faith and addresses misconceptions about God, Jesus and the Bible. Both those who have experience with Christianity and those just beginning to consider it will have the chance to explore how Christianity addresses questions ...

Course 101 | Gracepoint

While I was on holiday at the end of May I had time to write myself four sermons on different topics, and it's been quite helpful to refer back to them from time to time, though sometimes when I'm depressed reasoning doesn't seem to get me very far and it's easier just to try to hold on to certain verses or truths.
