Bill Gross has founded a lot of start-ups, and incubated many others -- and he got curious about why some succeeded and others failed. So he gathered data from hundreds of companies, his own and other people's, and ranked each company on five key factors. He found one factor that stands out from the others -- and surprised even him.

Bill Gross: The single biggest reason why start-ups ...

It used to be said that employers made up their minds whether or not to hire a prospective candidate within 5 minutes of sitting down to interview them. It's hard to say if this is true or not, but many people in positions with responsibility for hiring would probably admit that they had made appointments [...]
