### **The Plague Dogs Richard Adams**

The Plague Dogs is the third novel by Richard Adams, author of Watership Down, about two dogs who escape an animal testing facility and are subsequently pursued by both the government and the media. It was first published in 1977, and features a few location maps drawn by Alfred Wainwright, a fellwalker and author. The conclusion of the book involves two real-life characters, Adams' long-time ...

Here is every fantasy book I've ever enjoyed (plus some short stories thrown in). List will be updated regularly as I read. There are books repeated as some fit into more than one category; I designed it this way so that if you're looking for one specific sub-genre you can look at just that list and not miss out.
