Voltaire, the clearest of Enlightenment thinkers wrote those words in his 1765 essay, "Questions sur les miracles." And they resonate as much now, 250 years later, as they did then.. I rarely say much about myself on the site. But I'll just say today that I did my doctoral work on the French Revolution, spent a couple years living in Paris, and developed a deep affection for the city, as many ...

Belief in ghosts in Thai culture is both popular and enduring. In the history of Thailand Buddhist popular beliefs intermingled with legends of spirits or ghosts of local folklore. These myths have survived and evolved, having been adapted to the modern media, such as Thai films, Thai television soap operas, and Thai comics.. Some of the ghosts of Thai culture are shared with neighboring cultures.

Society and culture are similar concepts, but their scopes are different. A society is an interdependent community, while culture is an attribute of a community: The complex web of shifting patterns that link individuals together. Civilization, also, is closely connected to culture, and has often been used almost synonymously with culture. This is because civilization and culture are different ...
