Published in The Intercept I've been digging into disaster capitalism for a couple of decades now. For those of you who are new to the term, disaster capitalism is about how the already rich and powerful systematically exploit the pain and the trauma of collective shocks — like superstorms or economic crisis — in order to build an even more unequal and undemocratic society.

Dayaam is correct. In a typical deal, a portion of excess cashflow as defined in the credit agreement must be used to pay down bank debt. Excess cash flow is typically close to free cash flow, but definitely should never be used as a proxy as you must actually read the CA definition. This was typically a feature of Term Loan A's and Term Loan B's but not always on 2nd Lien stuff.
