The anthropic principle is a philosophical consideration that observations of the universe must be compatible with the conscious and sapient life that observes it. Some proponents of the anthropic principle reason that it explains why this universe has the age and the fundamental physical constants necessary to accommodate conscious life. As a result, they believe it is unremarkable that this ...

I've been dying to get my hands on Dragon from the moment I first laid eyes on him! While filming him in action with other black guys, it's taken all the self-control I can muster to refrain from copping a quick feel or jumping in on the action. At first it looked like my dreams of enjoying Dragon for myself would never be fulfilled. He told me from the start that the only way he'd even ...
