Autarky is the characteristic of self-sufficiency; the term usually applies to political states or to their economic systems. Autarky exists whenever an entity can survive or continue its activities without external assistance or international trade. If a self-sufficient economy also refuses all trade with the outside world then economists may term it a closed economy.

Question: "Why did Jesus speak so strongly against lukewarm faith?" Answer: In Revelation 3:14-21, the Lord is describing the "lukewarm" heart attitude of those in the Laodicean church, an attitude manifested by their deeds. The Laodiceans were neither cold nor hot in relation to God, just lukewarm.
