Seemingly completely out of the blue, my husband checked out of our marriage. Without going into very personal details, he was pretty darn certain about this decision and only wanted any debate to be who was getting what and how to do it as quickly as possible so that we could go our separate ways. We had no children at that time, but I was crushed, shocked, and despondent all the same.

Thanks, so much, DM for the announcement of this couple's marriage and their SITE link! Probably this marriage was publicized when it happened last year since he's prominent, but I've just started up blogging frequently again after a quite long break. I don't post these pics and announcements nearly as much as I used to, but there's still a smidgeon of interest in them.

Question: "If a couple gets pregnant before marriage do they have to get married?" Answer: Sex before marriage has become so commonplace in our society, even to the point of being expected, that many professing Christians don't even consider it to be a sin. Our culture assumes that people do not possess the amount of self-control necessary for abstaining until marriage, so the idea has become ...
