Lennard Davis guides readers through our disability history with fascinating insights and surprising information.

The Disability Studies Reader - Routledge.com

The Disability Studies Reader. As a field, disability studies burst onto the scene across the social sciences and humanities in the 1990s, and the first edition of the reader gathered the best work that had been written on the subject, including essays by famous authors such as Susan Sontag and Erving Goffman.

The Disability Studies Reader - Google Books

The fifth edition of Lennard Davis' The Disability Studies Reader adds a range of new essays on topics from disability and work to disability and sexual abuse. It remains the gold standard to teach your introductory course on disability studies or as the perfect supplement to a medical humanities course to provide materials on disability and culture.

The Disability Studies Reader (5th ed.) by Lennard J. Davis (ebook) - ebooks.com

The Disability Studies Reader collects, for the first time, representative texts from the newly emerging field of disability studies. This volume represents a major advance in presenting the most important writings about disability with an emphasis on those writers working from a materialist and postmodernist perspective.

The Disability Studies Reader by Lennard J. Davis

The fifth edition of The Disability Studies Reader addresses the post-identity theoretical landscape by emphasizing questions of interdependency and independence, the human-animal relationship, and issues around the construction or materiality of gender, the body, and sexuality. Selections explore the underlying biases of medical and scientific ...
