If I write a whole book on my beliefs and writes 'based on true grounds' you would actually believe it because of that true tag. According to my interpretation all the books made on such topics are made for us to believe it and I'm the person who believe in energy that's what the real truth behind everything is.

Is the book The Laws of the Spirit World true? - Quora

Laws of the Spirit World evinces little in the way of detailed information consistent with our scientific knowledge. Added later: while I still recommend Oahspe for it's innovation, it's 1800 pages long and as it progresses becomes preachier and more dogmatic.
