Instead of indulging in yet another mental masturbation get into a relationships with an eastern european girl. I understand that your level of game does not really allow you, but at least try to make a woman want to hang around you more than once or twice. Date an eastern european for 1/2-1 year and then write. There going to be buckets of hate here, a massive "anti eastern european women" front.

Message from a visitor to this site: I'm writing to thank you for the information you compiled about self-bondage. A few years back I used to fit the description in one of the stories on your self-bondage page: "Scenarios and activities become more elaborate over time - more experience leads to greater danger of death, not less danger".
