Who are we? Schoolhouse is Scotland's national home education charity (SC026965), which was formed in 1996 and is now a well-established and well respected source of independent information and support for anyone interested in home education.. We aim to provide reassurance that home education is a legal and successful alternative to school, and is widely practised in Scotland.

One-room schools were commonplace throughout rural portions of various countries, including Prussia, Norway, Sweden, the United States, Canada, Australia, New Zealand, the United Kingdom, Ireland, and Spain. In most rural and small town schools, all of the students met in a single room. There, a single teacher taught academic basics to several grade levels of elementary-age boys and girls.

Exciting news! The 3rd edition of my book entitled Perseverance, Pranks and Pride - Tales of the One-Room Schoolhouse, is now available as an e-book. It details the stories of many individuals who attended one-room schoolhouses in Canada, both as students and teachers, and is a must-read for anyone interested in the history of education.

What students should learn in school is at the forefront of the education reform debates taking place across the U.S. and elsewhere. Ed-tech stakeholders for years have been touting the need for students to learn so-called "21st century skills" such as problem solving, critical thinking, and media literacy to prepare for the new global, digital economy, while others are calling for ...
