Genus (engelska gender), även Socialt kön, är ett begrepp som används för att urskilja vad som formar kvinnors och mäns sociala beteende. [1] [2] Genus/Socialt kön är baserat på normer och omvärldens förväntningar kring vad som anses vara manligt och kvinnligt. Baserat på kön finns en förutfattad mening kring beteende och vilka intressen och val som fattas.

This article discusses the gendered nature of politics (as practice) and political science (as an academic discipline). It studies the sex-typing characteristic of most institutions in the modern world and describes how gender shapes the ways people organize, think, and know about the world. The article then identifies the changes that have occurred in politics and political science over the ...
