Double Fine Productions, Inc. is an American video game developer based in San Francisco, founded in July 2000 by Tim Schafer after his departure from LucasArts. Though the company's first two games Psychonauts and Brütal Legend were critically praised, both underperformed publishers' expectations. The future of the company was assured when Schafer turned to several in-house prototypes built ...

The docs for unittest would be a good place to start.. Also, it is a bit late now, but in the future please consider writing unit tests before or during the project itself. That way you can use them to test as you go along, and (in theory) you can use them as regression tests, to verify that your code changes have not broken any existing code.

Writing unit tests in Python: How do I start? - Stack Overflow
