He-Man and the Masters of the Universe is an American animated television series produced by Filmation based on Mattel's toy line Masters of the Universe. The show, often referred to as simply He-Man, was one of the most popular animated children's shows of the 1980s. [citation needed]It made its television debut in September 1983 and ran until 1985, consisting of two seasons of 65 episodes each.

#### He-Man and the Masters of the Universe - Wikipedia

While the show is based in the prime universe, several of the events are driven by the influence of the parallel universe. The existence of the parallel universe was postulated by Walter and William while under the influence of psychedelic drugs, and they were able to create a window-like device to observe the universe from their own. They later theorized ways of transporting objects from one ...
