The Happy Atheist Pz Myers

A self-styled "godless liberal" and outspoken atheist, he is a vocal critic of all forms of religion, superstition, supernaturalism, spirituality and pseudoscience. He is quoted as having "nothing but contempt" for intelligent design, arguing that it is "fundamentally dishonest". He is also an outspoken supporter of sex-positive feminism. Myers believes women should make their own sexual ...

atheism: a critical examination of its causes and effects. Some atheists apparently don't like this video, A Fool's Heart, but you can view it here. It recaps some of the effects of anti-Christian atheistic/evolutionary thinking in recent times, beginning with Robespierre, a leader of the French Revolution.

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater – on any topic – that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.

This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. Persons in this list are people (living or not) who both have publicly identified themselves as atheists, or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public

Rape has nothing to do with sex. An erect penis going into a vagina until ejaculation occurs has nothing to do with sex? These fuckwit feminazis need a lesson in biology 101 before they open their idiot mouths and prove what fucking imbeciles they are. If nothing else, they show that they are completely devoid of honesty in their insane pronouncements.
