The White House travel office controversy, sometimes referred to as Travelgate, was the first major ethics controversy of the Clinton administration. It began in May 1993, when seven employees of the White House Travel Office were fired. This action was unusual because although staff employees serve at the pleasure of the President and could be dismissed without cause, in practice, such ...

White House travel office controversy - Wikipedia

Plans were discussed to demolish the building and rebuild it to the same design, but in the end, Truman went to Congress and requested the funding to rebuild the White House from the inside out, leaving only the stout brick outer walls and the rebuild the interior largely on the same plan as the existing house—very much the way President James Madison had done in 1814.

Truman Reconstruction - White House Museum

So the original idea from this story started in Harry Leferts thread 'Harry Potter and the Shipgirls: A HP/KanColle Snippet Collection' and was refined with Kenainath's omake on a Shipgirl Harry thanks to creative use of Polyjuice, I liked the idea and hoped to see it continue but unfortunately it didn't, but as I already had started laying down a plot line in my head my muse said 'Just Do It ...
