#### The Gentrification Of Mind Witness

Gentrification is a process of renovating deteriorated urban neighborhoods by means of the influx of more affluent residents. This is a common and controversial topic in politics and in urban planning. Gentrification can improve the material quality of a neighborhood, while also potentially forcing relocation of current, established residents and businesses, causing them to move from a ...

nycchomp:. I hadn't been to Church Street Tavern before this event, but I'd certainly heard of it. It's in Tribeca, and consequently, next to the La Colombe coffee shop I used to go to when I was a daydreamy intern at SPIN Magazine (2012 edition). Even then, I was too afraid to own my desire to be a writer, and interned in their Marketing department.

Snubbed for Oscar nomination. I must say that this is one of that kind of movies with slow pace but great reward at the end, the three main characters are interesting (specially the girl which is lovely) and even if superficially you don't see anything particularly special, you feel curious enough to see what is going to happen with the three of them, specially when you start to see the key ...
