## The Second World Empires And

The following is a list of the largest empires in world history. Rein Taagepera has defined an empire as "any relatively large sovereign political entity whose components are not sovereign" and its size as the area over which the empire has some undisputed military and taxation prerogatives, and these are the definitions used by this list.

World War II (often abbreviated to WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945. The vast majority of the world's countries—including all the great powers—eventually formed two opposing military alliances: the Allies and the Axis.A state of total war emerged, directly involving more than 100 million people from over 30 countries.
