A prophecy is a message that is claimed by a prophet to have been communicated to them by a god. Such messages typically involve inspiration, interpretation, or revelation of divine will concerning the prophet's social world and events to come (compare divine knowledge). All known ancient cultures had prophets who delivered prophecies.

The message is simple: If you want to be my disciple then you'd better count the costs. It's an "all or nothing" proposition. If you're not ready to jump in with both feet, and stay with the journey until the very end, then perhaps its best to stay behind rather than suffer the embarrassment of starting out on the journey and having to turn back before you get to the end.
