Religion (from the Latin Religio, meaning 'restraint,' or Relegere, according to Cicero, meaning 'to repeat, to read again,' or, most likely, Religionem, 'to show respect for what is sacred') is an organized system of beliefs and practices revolving around, or leading to, a transcendent spiritual experience. There is no culture recorded in human history which has not practiced some form of ...

Preface of Rufinus. Reader, remember me in your prayers, that we too may deserve to be made emulators of the spirit. The two former books on The Principles I translated not only at your instance, but even under pressure from you during the days of Lent; but as you, my devout brother Macarius, were not only living near me during that time, but had more leisure at your command than now, so I also ...

Medical Humanities Spotlight: Karaghen Hudson '18. by Julia Canick . From an early age, Karaghen Hudson knew she was meant to make art. Between coloring on her mother and herself in her younger years and treasuring sketches from her father while he was away on combat deployments, Karaghen knew that art would be special to her.
