Romance set against the backdrop of Regency England were the first Stephanie Laurens ever read, and they continue to exert a special attraction. On escaping from the dry world of professional science to carve out a career as a writer, Stephanie published either Regency romances, then turned to longer, historical romances set in the Regency period.

USS Thornback (SS-418), a Tench-class submarine, was the only ship of the United States Navy to be named for the thornback, a slender member of the shark family with a long pointed snout and a sharp spine at the end of each dorsal fin, native to northern Atlantic waters ranging from the temperate to the Arctic.. Her keel was laid down on 5 April 1944 by the Portsmouth Navy Yard.

This stretch of the South West Coast Path features steep woodland walking, with some occasional sea views. There are very few, if any facilities on this stretch, although if it does prove more demanding then you first thought, there is an opportunity to hop off the path and join the main road at County Gate, which provides access to buses linking you onto the Exmoor Coastline service.
