★★★★ | Standing at the Sky's Edge. Standing on the Sky's Edge is a new musical which centres around Sheffield's Park Hill Flats housing estate, and cleverly overlays three stories of three families over three decades as they take residence in the now infamous building. From the ground breaking optimism of the buildings with "streets in the sky" in the early 70s; through the ...

The term night sky refers to the sky as seen at night. The term is usually associated with skygazing and astronomy, with reference to views of celestial bodies such as stars, the Moon, and planets that become visible on a clear night after the Sun has set. Natural light sources in a night sky include moonlight, starlight, and airglow, depending on location and timing.
