451. This tritype may come off reserved to the extreme and seem the most "5ish" especially if the 4 has a 5 wing as well, due to the two types, 5 and 1 being very reserved types. 1 is reserved because they feel they need self control, whereas 5 is reserved because they don't want to be emotionally involved, and both of these war with the inherent emotional richness of the 4 enneagram type.

French literature - The 16th century: The cultural field linking the Middle Ages and the early modern period is vast and complex in every sense. Chronologically, there is no simple or single break across the turn of the century, though there is indeed among many writers of the period the sense of a cultural rebirth, or Renaissance. The term, first used during the 18th century, was given ...

Horace can be regarded as the world's first autobiographer – In his writings, he tells us far more about himself, his character, his development, and his way of life than any other great poet in antiquity. Some of the biographical writings contained in his writings can be supplemented from the short but valuable "Life of Horace" by Suetonius (in his Lives of the Poets).
