A train song is a song referencing passenger or freight railroads. Trains have been a theme in both traditional and popular music since the first half of the 19th century and over the years have appeared in all major musical genres, including folk, blues, country, rock, jazz, world, classical and avant-garde. While the prominence of railroads in the United States has faded in recent decades, the ...

"John Buchan's career as a writer, one of the best-selling of his day, would have been remarkable, even in someone who had done nothing else. He wrote more than a hundred books, including twenty-seven novels, six substantial biographies, a monumental twenty-four-volume contemporary account of the First World War, three works of political philosophy and a legal textbook.
